*Department of Defense Budget  
for Fiscal Year 1998/1999*

*February 1997*

19970206 136

## **Preface**

The C-1 is provided annually to the DoD oversight committees of the Congress coincident with the transmission, by the President, of the Budget of the United States Government.

For FY 1996 and FY 1997 the C-1 reflects appropriations "as enacted", including congressional rescissions. It does not reflect transfer of budget authority or unobligated balances, nor proposed program supplements/deferrals.
